# *The* Season *of* Giving

Let's make cards for people who are hospitalized during the holiday season, helping to bring a smile to the faces of those who may need some holiday cheer.

## **What should I write in a card?**

Be as creative as you'd like, but remember, the degree of illness for patients will vary, so it's important that what you write stays cheerful and positive. Some suggested greetings include, "Best wishes," "Thinking of you," or "Have a nice day." Stay away from phrases like "Get well soon" and "Hope you're feeling better," as it might not be appropriate for all patients. Be sure to include a message of "Happy Holidays" as the cards will be distributed for the holidays! Please refrain from using any religious quotes.

## **Who receives the cards?**

Cards will be distributed to the Rehabilitation Hospital of Northern Arizona and Flagstaff Medical Center

**Drop your card off at the East Flagstaff Community Library by December 18th** and we'll send it on for you! You can also contact us at [efclstaff@flagstaffpubliclibrary.org](mailto:efclstaff@flagstaffpubliclibrary.org), and we will coordinate a pick-up. If you place your card in an envelope, please keep it unsealed.
